

Plasmazione e stereotomia

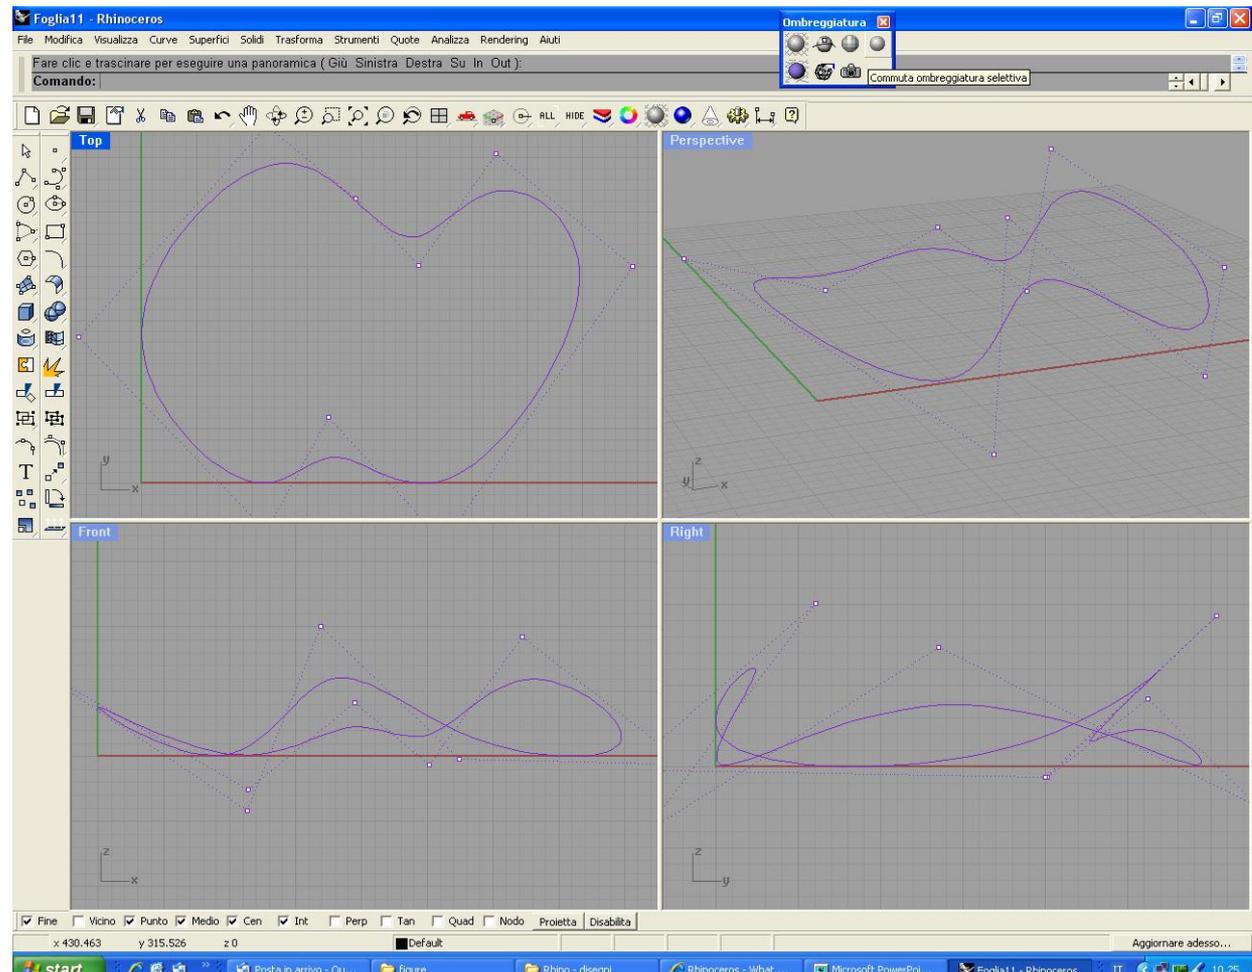

Plasmazione alle NURBS, stereotomia al CNC,
per realizzare uno pseudo-scifo

Felice Ragazzo
designer

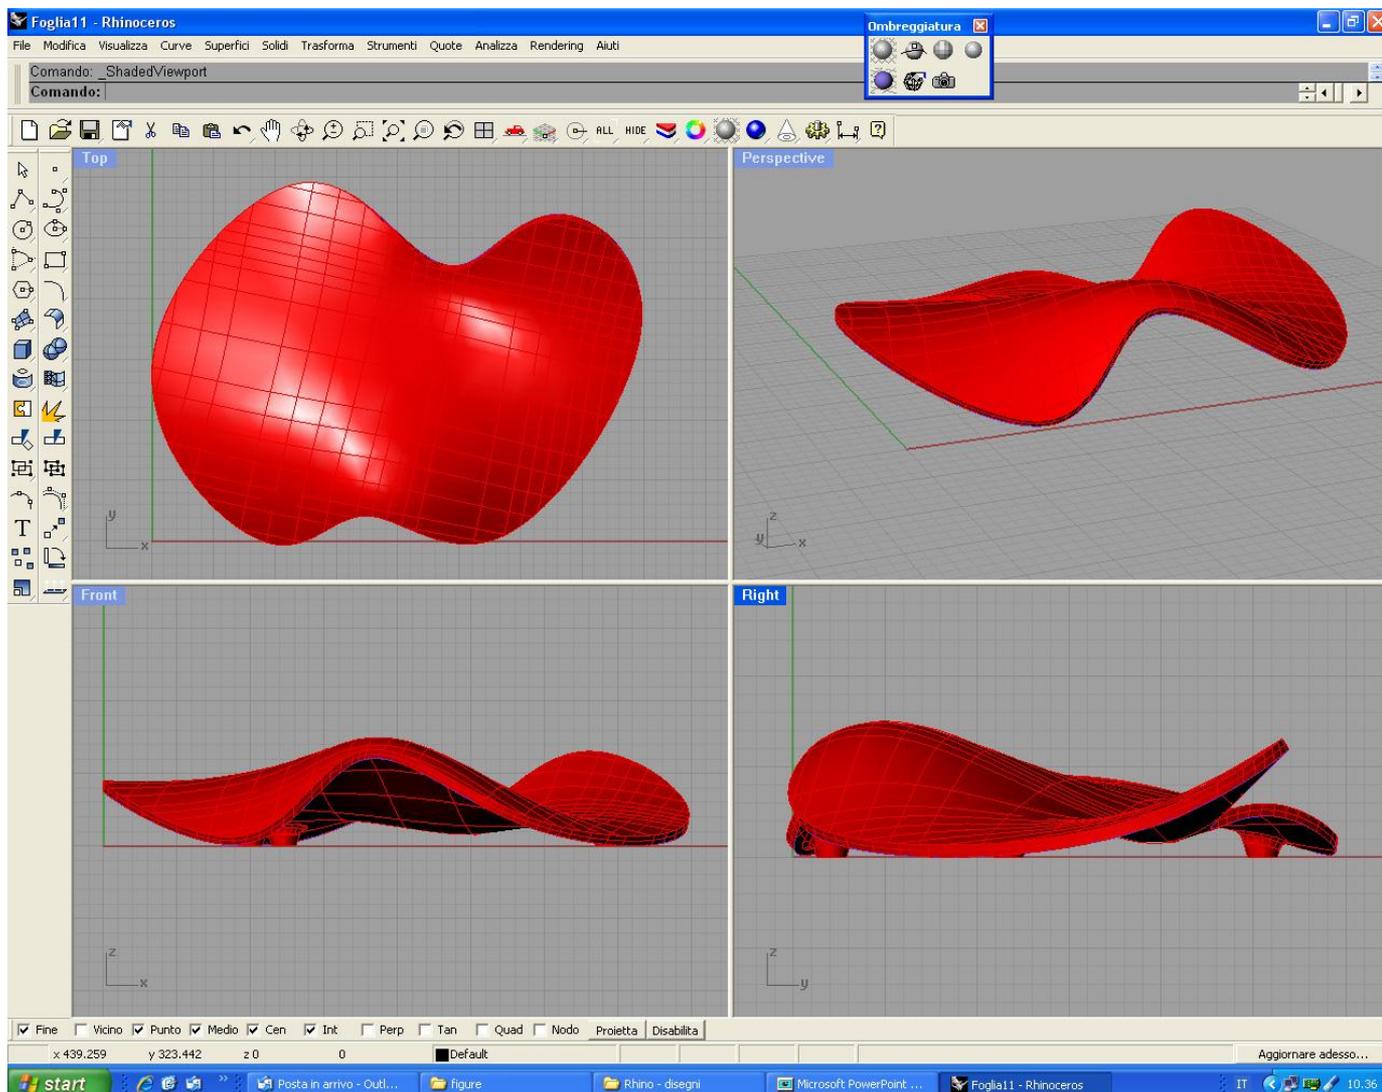

Plasmazione alle NURBS

NURBS (*Non-Uniform Rational B-Splines*): un docile strumento digitale per modellare nello spazio virtuale

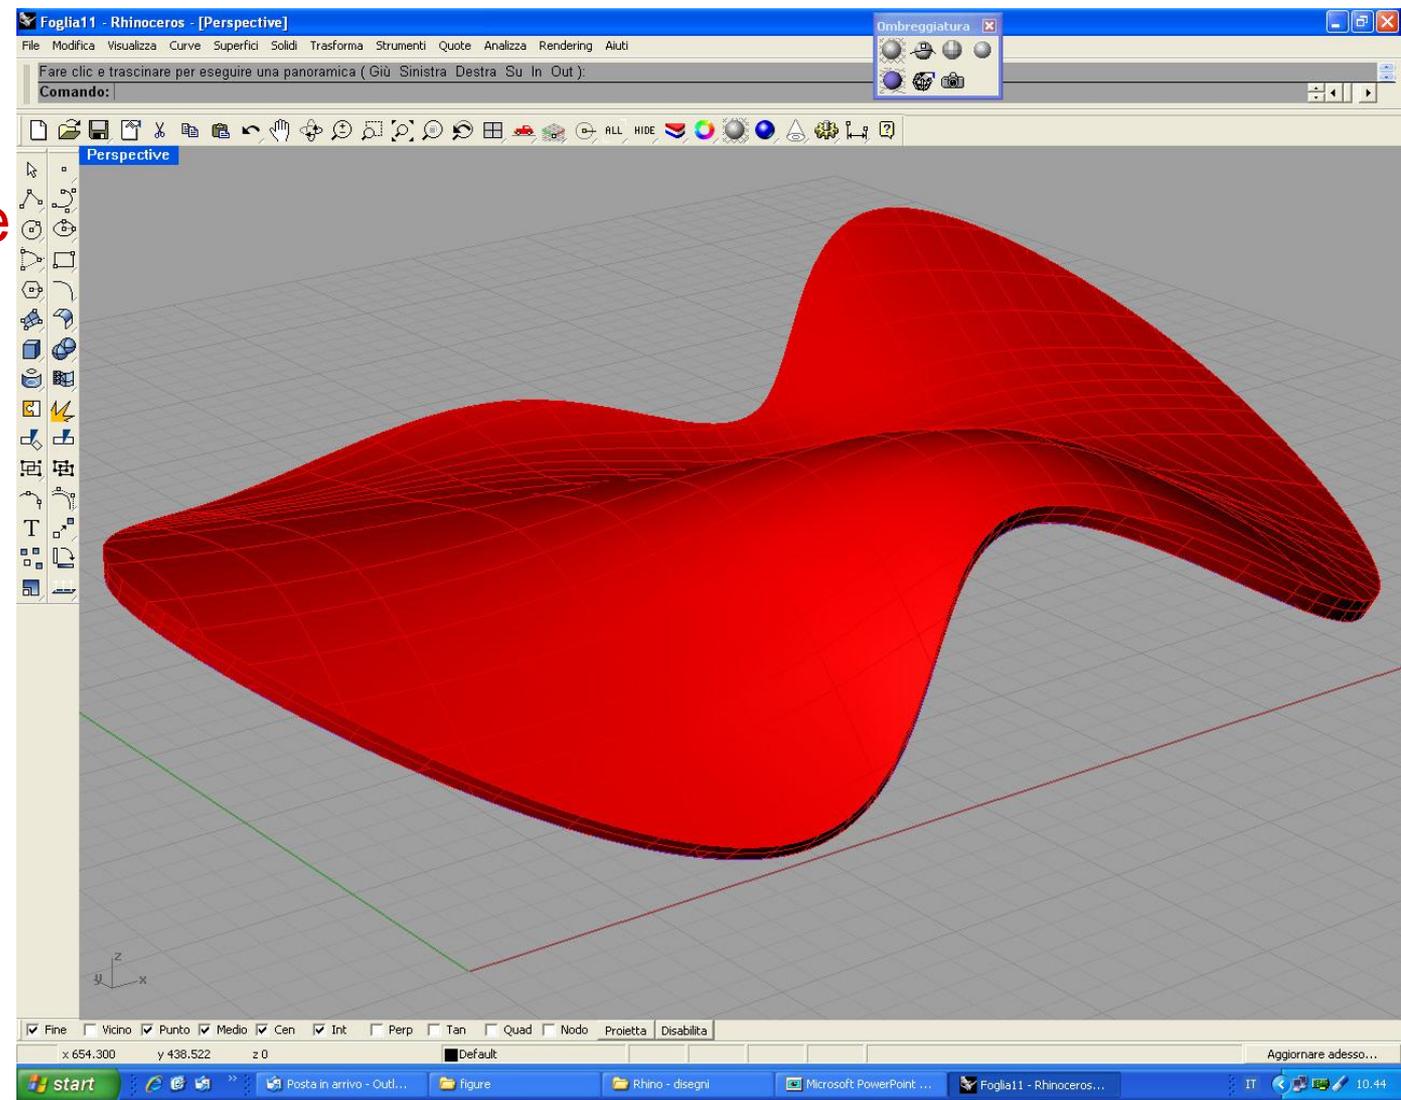

La linea-tracciato

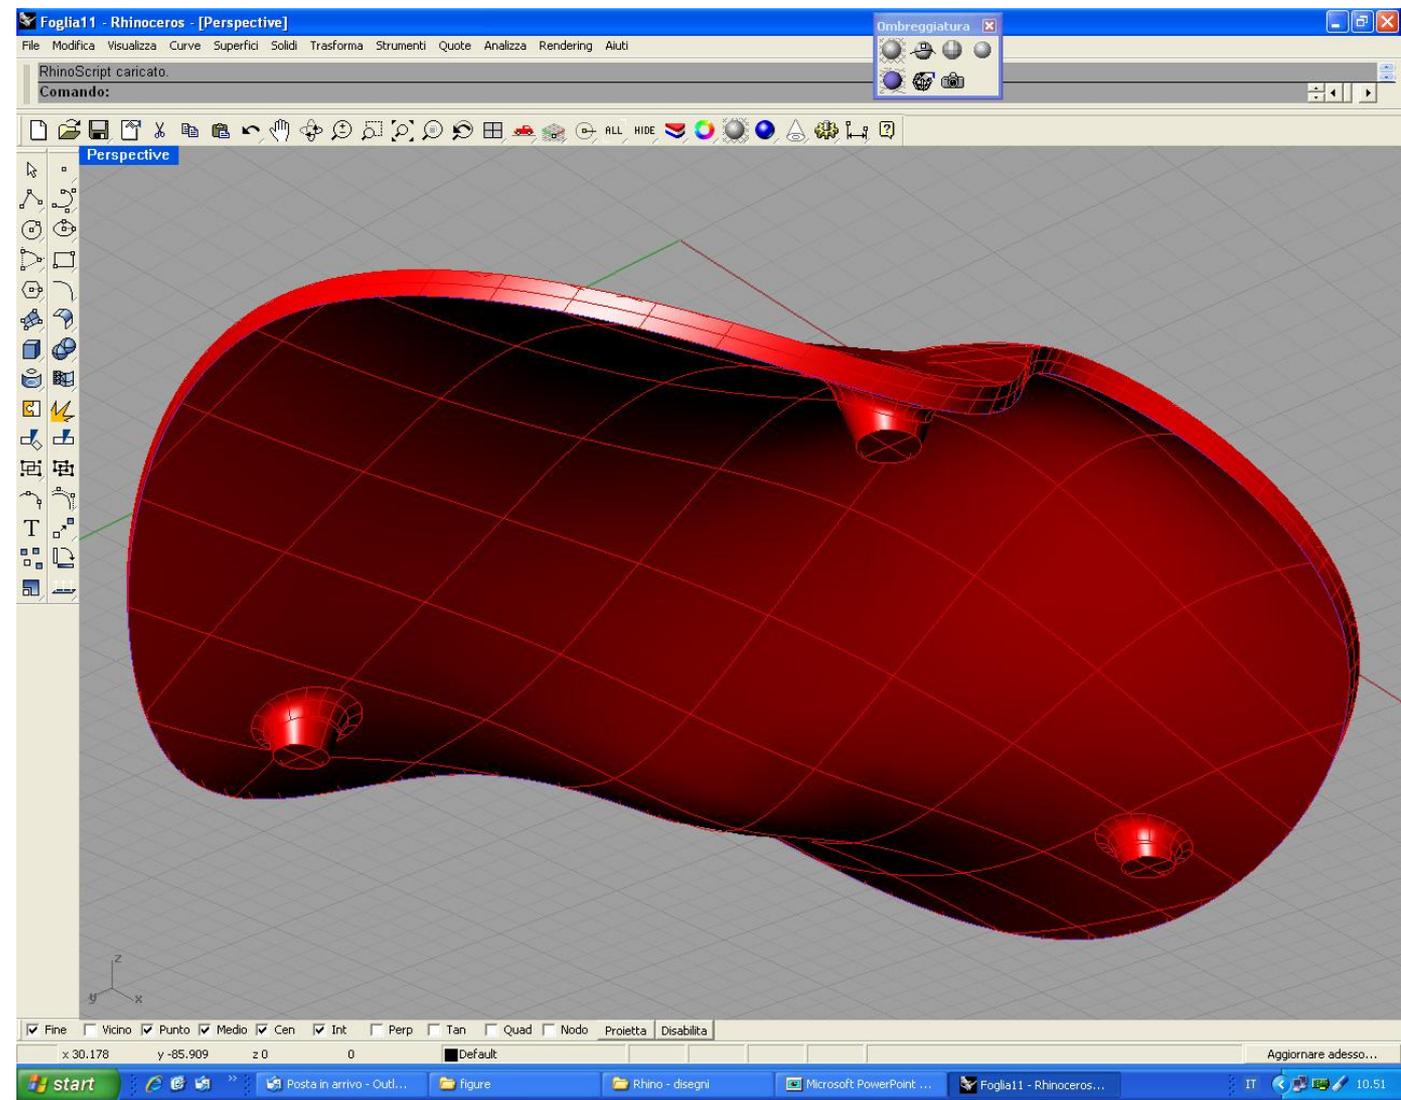

Il volume

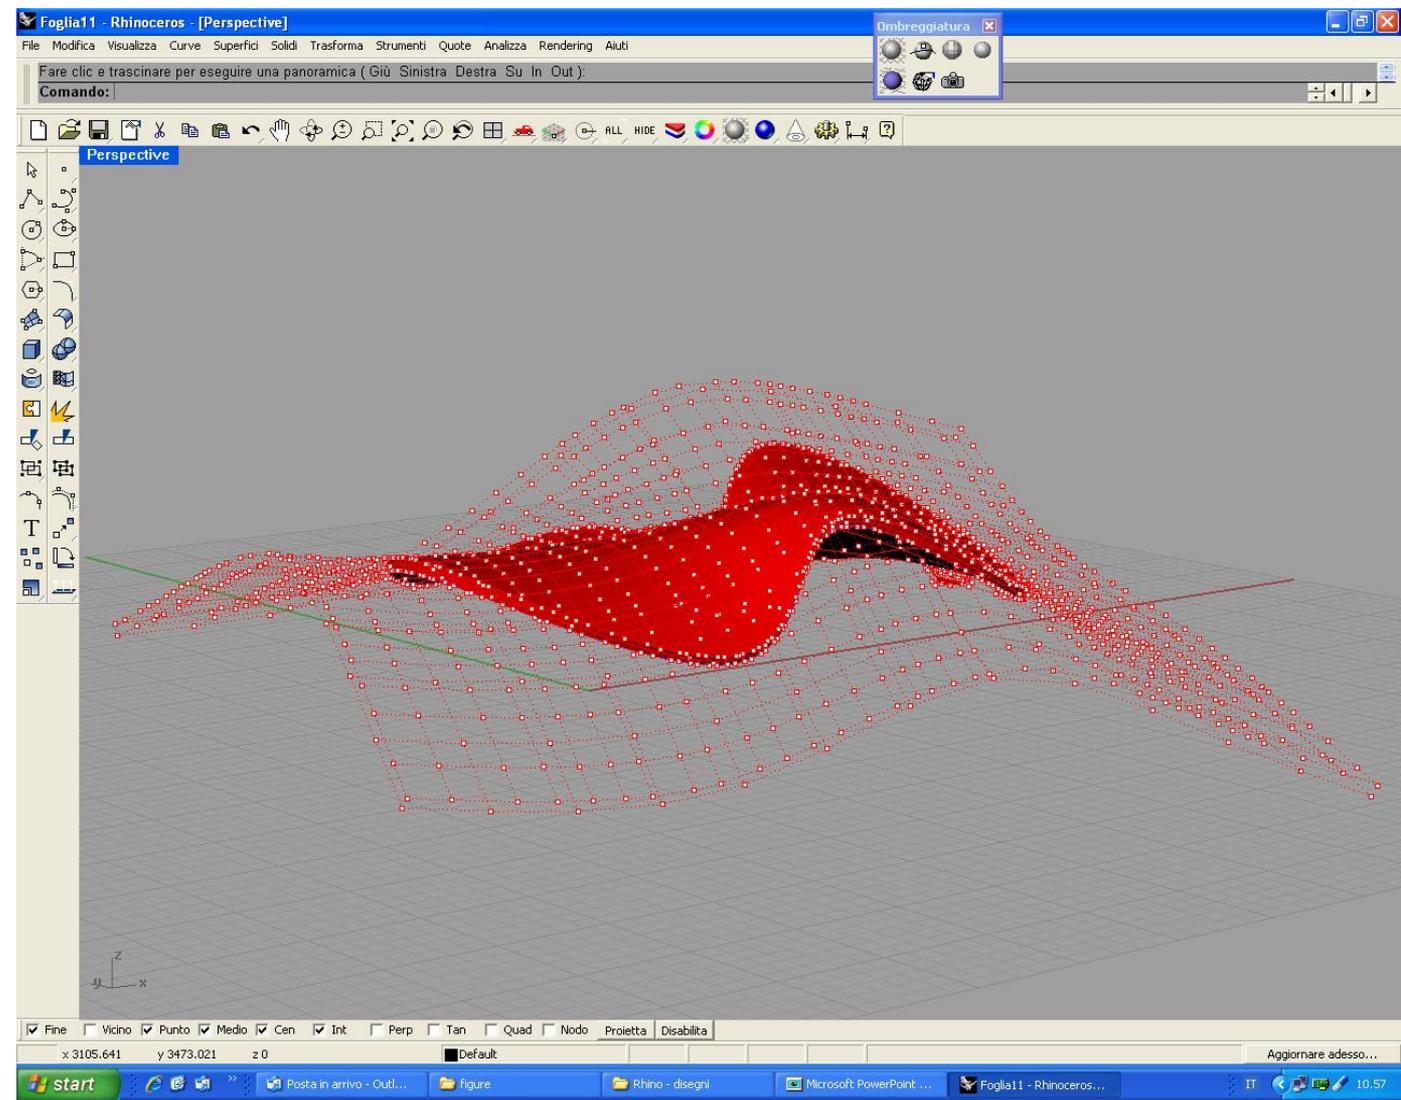

la faccia superiore

La faccia inferiore

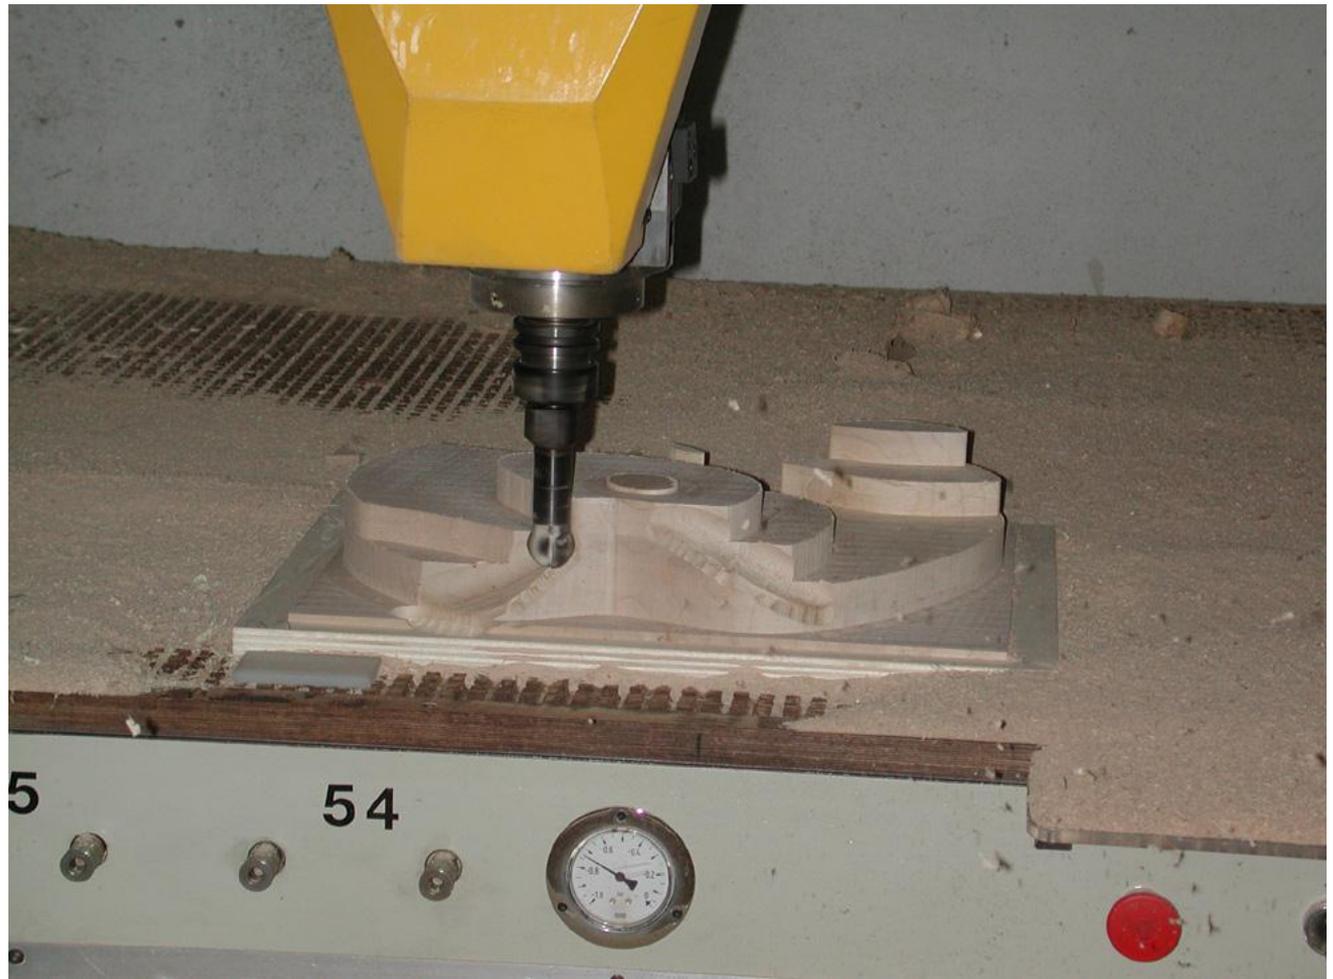

I punti di controllo

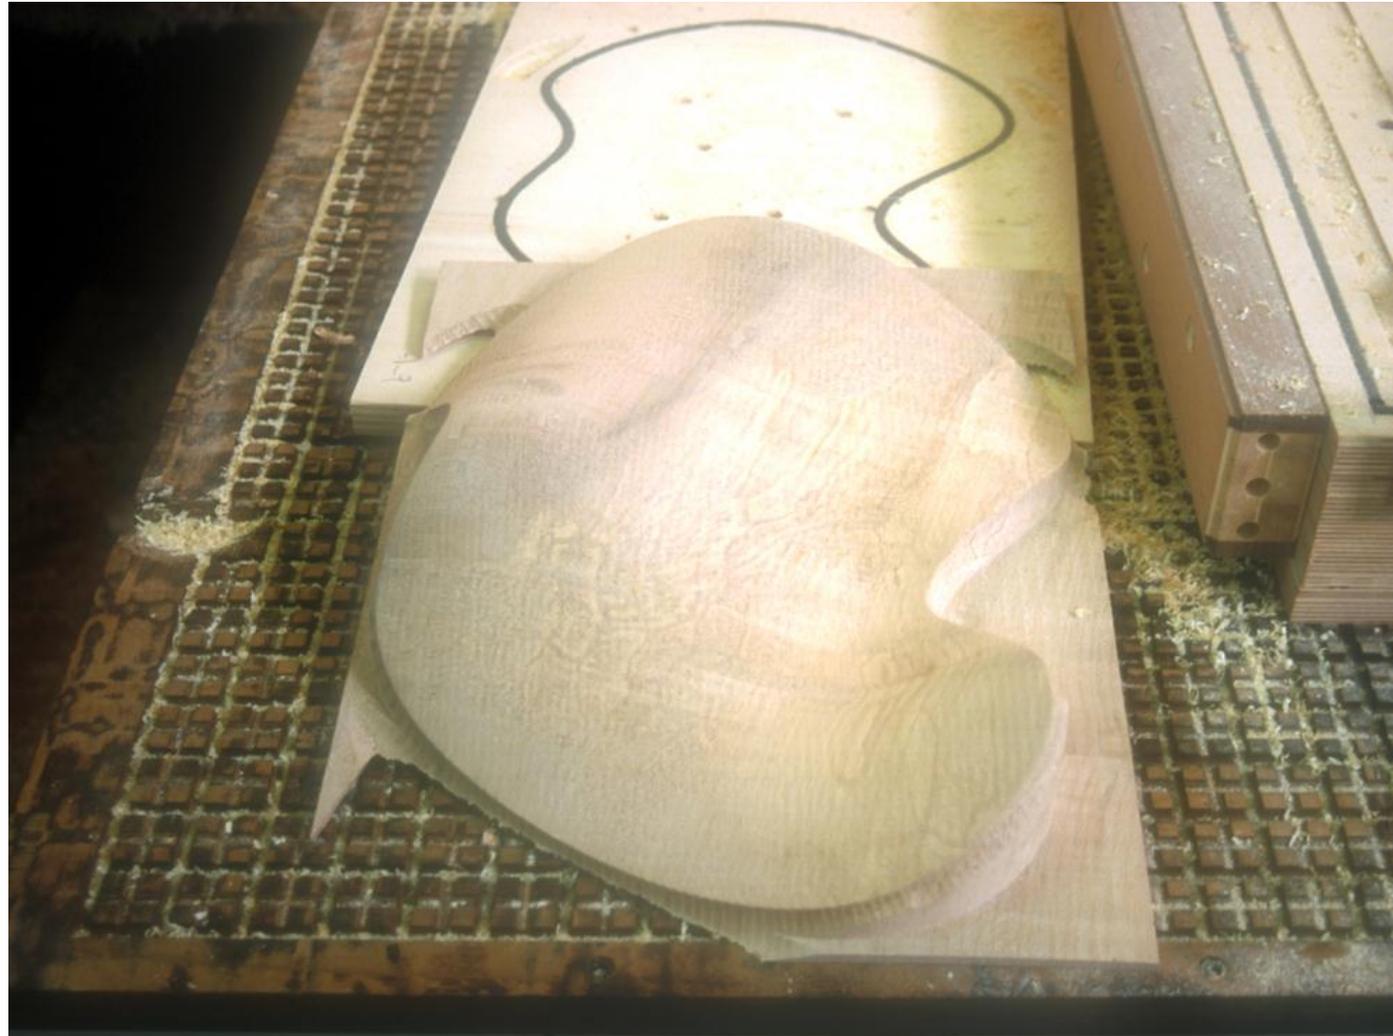

Stereotomia al CNC

CNC (*computer numerical control*): un docile strumento, meccanico e digitale, per fresare materiali solidi

Dopo il «terrazzamento», la «finitura»

Pezzo e
sottopezzo,
lato A

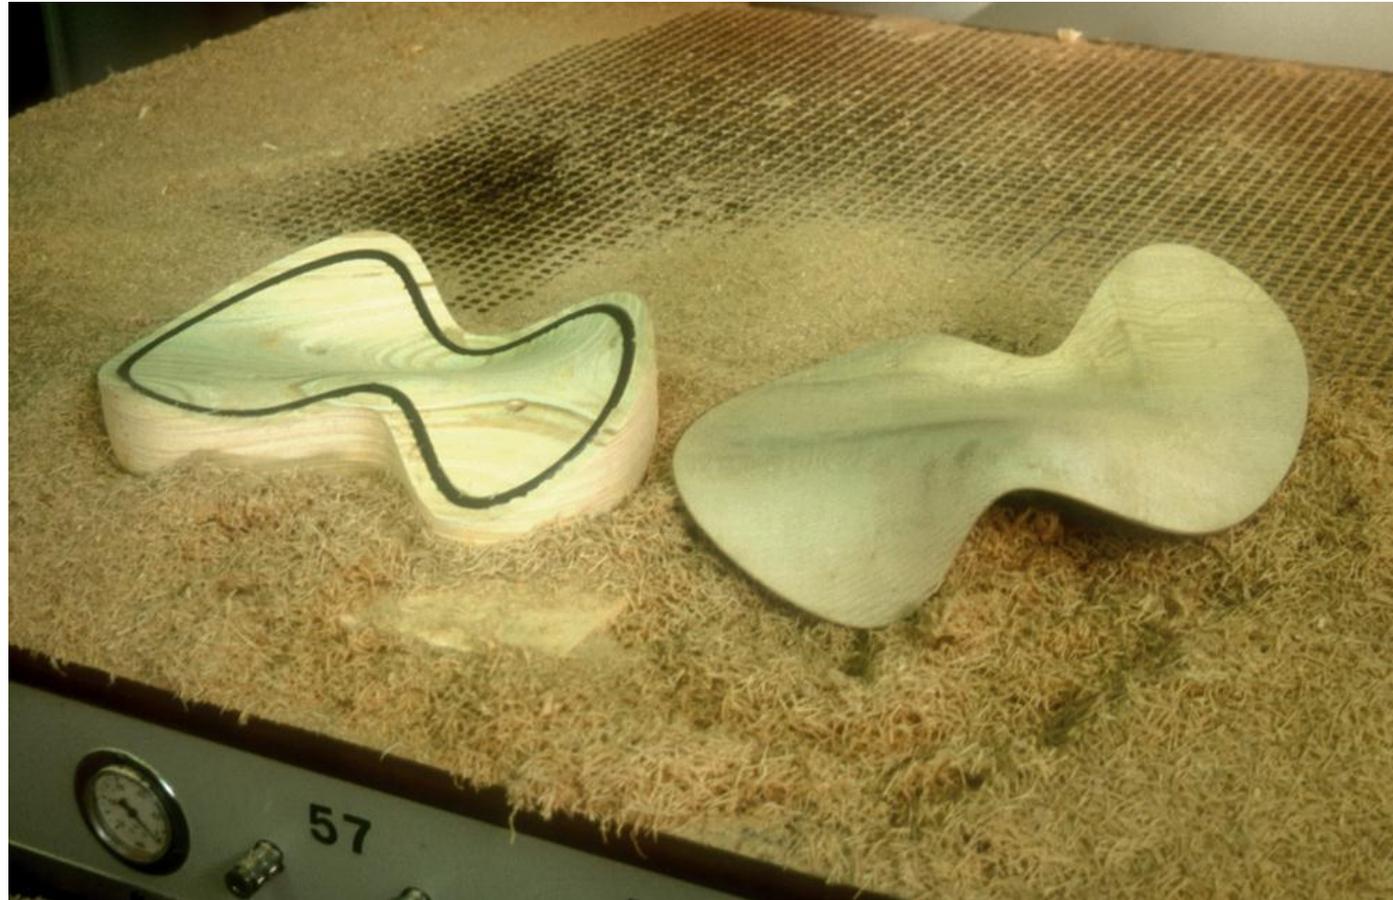

Pezzo e
sottopezzo,
lato B

«Spazzolatura»
quasi finita

Operazione
terminata

Pezzo finito
